9:45AM

OUR SHARED VISION

with **Melinda Soncini** TransformX Consulting

*A whole-of-room exploration of our shared vision for
Collaborative Working in Australia.*

10:15AM

CASE STUDY PANEL COLLABORATION IN ACTION

FACILITATED BY Josh Choong ICW Australia

Hear practitioners' experiences from across Australia & internationally.

Michael Saunders, Department of Defence, will speak about the North-East Qld Regional Maintenance Centre - an industry / government collaborative organisation for navy fleet maintenance, with ISO 44001 principles as its foundation.

Mark Simister, Metaphic, will speak about his experiences in supporting the application of Collaborative Working in Australian major infrastructure and utilities sector programs, including Sydney Water's Partnering For Success program.

Michael Perkins, Southern Waters Legal, will speak about his experience in applying Collaborative Working principles to the delivery of professional services, including complex estate and wealth management advisory services.

Adelaide Business School Representative will speak about the Business School's experience in becoming the world's first tertiary organisation to become ISO 44001 certified.

11:15AM

MORNING TEA

11:30AM

ROUNDTABLE

The Current State of Collaborative Working as a Business Discipline in Australia

FACILITATED BY David Pender Knowledge Perspectives

This Roundtable continues ICW Australia's ongoing Research Project One (RP1) on The Current State of Collaborative Working as a Business Discipline in Australia.

This roundtable will focus on the paradigm shift involved in transitioning to Collaborative Working relationships and identify the vulnerabilities to be faced in that transition.

1:00PM

LUNCH

1:45PM

WIN AS MUCH AS YOU CAN

A swift game about collaboration, competition, greed, and trust...

2:00PM

COLLABORATIVE WORKING 101 ... OR HOW TO CONVINCЕ EVERYONE

John King True / False Consulting

A presentation to convince the unconvinced and re-convince the already convinced, followed by discussion about messaging the benefits, value and innovation arising from Collaborative Working.

2:30PM

FACILITATED DISCUSSION **COLLABORATIVE CONTRACTING - Enabling the development of a Collaborative Working culture**

Hear from Brett Ackroyd and Peter Colacino on the role of collaborative contracting models to support and enable the development of an effective Collaborative Working culture. This discussion will also introduce the Contracting for Success Special Interest Group (SIG) and the research it will be undertaking.

Peter Colacino - A passionate and internationally recognised leader in infrastructure policy and reform, Peter is NSW Project Strategy & Delivery Portfolio Lead at Mott MacDonald and NEC Contract Ambassador ANZ & Principal at Modifica Advisory.

Brett Ackroyd - Specialising in building collaborative commercial working relationships to deliver value from complex outcomes, Brett is Managing Director at ICW Australia & Collaborative Working Practice Lead at Elysium EPL.

3:15PM

AFTERNOON TEA

3:30PM
